"DREAMY MELODY"

By ROY CHARLES and LEE ALBERTS

VERSE

In my dreams it seems that I can hear
That melody of love
Just a happy song
Sung to me the whole night long
When I wake and find it's all a dream
I wish that I'd dream on
My nights are filled with gladness
From the dark 'til the dawn.

CHORUS

When I hear That Dreamy Melody
Played so tenderly for me
Then it brings me thoughts of roses rare
Blooming ev'rywhere — And it reminds me
Of those moonlight nights that used to be
No one there but you and me
I love it yet — I never will forget
That Dreamy Melody.
